NOW, THEREFORE, for and in consideration of the premises and of the benefits to be derived by the Developer, and each and every subsequent owner of any of the lots in said development, said Developer does hereby set up, establish, promulgate and declare the following covenants, conditions and restriction to apply to all of said lots and to all persons owning said lots, or any of them, hereafter. These covenants shall become effective immediately and run with the land and shall be binding on all persons claiming under and through the Developer, to wit:

1. **SUBDIVIDING LOTS:** After the conveyance of a lot or tract by the Developer, no lot or tract shall be subdivided into another lot less than 1.1 acres, and prior to subdividing approval must be received from the Fannin County Health Department for a septic tank and proper drain field, in accordance with the standards of the Health Department of the State of Georgia.

2. **TEMPORARY STRUCTURES:** No structure of a temporary character, such as a shed, basement, camper, lean-to, tent, shack, garage, barn or other outbuilding will be used on any lot at any time as a residence either temporarily or permanently; provided that this paragraph shall not be deemed or construed to prevent the use of a temporary construction shed or trailer during the period of actual construction of any residential structure on such property. Any camper stored on any lot shall not be used as a residence and shall be kept in a neat and orderly appearance.

3. **DWELLING TYPE:** No mobile homes, double-wide trailers, relocated older homes or similar structures of any type shall be used or located on any lot at any time either temporarily or permanently except for construction purposes during the construction period.

4. **LAND USE:** Lots shall be used for single family residential purposes only; however, a professional business may be operated from within the home. No commercial activity or business of any type, no religious house of worship and no school shall be maintained on any lot, however, this shall not prevent any homeowner from home schooling their own children. All such signs shall be professionally lettered and neatly installed.

11. **NUISANCES:** No noxious or offensive activities shall be permitted or carried on upon any lot, nor shall anything be done thereof which may be or become an annoyance or nuisance to the neighborhood. No offensive, noisy or illegal activity shall be suffered or permitted upon any lot, nor shall any lot be used for any illegal purpose. No substance, thing or material shall be kept upon any lot that will emit foul or obnoxious odors or that will cause any noise that might disturb the peace, quiet and comfort of neighbors. No recreational use of all terrain vehicles, dirt bikes, motorcycles or any similar type vehicles shall be permitted within the subdivision.

12. **LOT MAINTENANCE:** Each lot shall be kept and maintained completely

free of any junk, trash and garbage (including old vehicles and discarded appliances). No automobiles, trucks or other motor vehicles without a current license tag may be placed on the property unless being restored or worked upon, in which event said vehicle shall be kept in a garage or other structure. Boats and trailers shall be kept in a neat and orderly appearance and not in view of the public. Trash and garbage must be properly disposed of in containers designed for that purpose. Each lot and the improvements constructed thereon shall be maintained in a good, safe and attractive condition, and grass must be mowed on a regular basis.

Also created by the association is an escrow account for the deposit by the lot owners and developer of funds on a prorated basis for maintenance and repair of roads, common areas and utilities. The association shall also have the authority to make

assessments and to place a lien against any lot owner who fails to pay an assessment when due. Any notice of lien shall be filed in the office of the Clerk of Superior Court of Fannin County, Georgia.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from date at which time said covenants shall be automatically extended for a successive ten (10) years unless an instrument, signed by the majority of the then recorded owners of the land agree to change said covenants in whole or in part, is executed and recorded. These covenants cannot be amended or changed in any way prior to that time unless an instrument is signed by all of the property owners in said development.

Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate said covenants either to restraining violation or to recover damages.

Each covenant contained herein is severable and distinct from each other and in its application to all or any portion of the premises, and the invalidity or unenforceability of any covenant contained herein as to any portion of the premises shall not affect the validity or enforceability of any of the other covenants contained herein. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions, which shall remain in full force and effect.
